In Memoriam

"Of such as she was, there be few on earth,
Of such as she is, there are few in Heaven,
And life is all the sweeter that she lived,
And all she loved more sacred for her sake,
And Death is all the brighter that she lived,
And Heaven is all the happier that she's there."

BOARD of EDUCATION

You Are Important

There is so much about us that we do not understand.
We understand ourselves so little.

In adolescence, for fear of offending, we tend to repress the urge to be somebody, to be recognized, to be noticed.

The fact is that what we do with this desire to be somebody determines how wholesome we are.

Seeking for confirmation of self-worth evidences an ambition which stirs in the blood of every mother's son on earth. It is in the dreams of the child musician, it burns in the soul of the explorer. It is in all of us.

This urge is there in our wanting to belong, the acceptance of what we have to offer to life.

What tyrannies and follies are perpetuated in the name of being somebody. A person talks loudly in public, swears boldly, voices opinions dogmatically in order to be noticed.

A man should live for being and not for seeming. The desire for attention, when identified with serving others can be wholesome and healthful. Like happiness, real importance comes unsought and unnoticed. Appreciation of others ought to be expressed more generally and genuinely. Your importance can be measured by the degree to which you are needed by people.

Can you become today a person who ceases to belong to yourself—quits serving your ego—and begins serving others all around you?

If so, you will come alive with power, and something hallowed will shine through you every day with an inward glow.

You are somebody. The world needs you. The world awaits you.

HENRY WERNER, JR.
President of the Board of Education

G. H. BURNS, Superintendent

Class of 1950, as you look to the future here are a few things that it would be well for you to keep in mind. We live in the greatest nation in the world's history; the richest nation the world has ever seen, whose people have more material prosperity than ever before. A nation to which all the world turns, not only for material assistance but more important, for spiritual leadership.

To meet this worldwide challenge we must bolster our faith in ourselves by not only having faith in human nature, but also by a renewal of our faith in our philosophy of freedom.

We in America have the right to do and say more things than any other people in the world. We must not forget that this right as well as all other rights beget certain responsibility.

We should often remind ourselves, "I will remain independent. I will be an individual always. I have no security without my personal integrity." A man who loses his self-respect, a man who surrenders his basic personal responsibilities and freedoms to another man or government, must live always in fear. The man who maintains his personal responsibility, like those who sang in the desert, lives secure — no matter what happens around him.

A high school Memory Book is a record of friendship formed, big events, proms, and other important dates. For many of you, high school days mean the formation of lifetime friendships. May the events of your high school years linger long in your memories.

DEDICATED FEBRUARY 22, 1950

The Rossford Physical Education Building, erected at a cost of $306,000, was started in 1946 when the citizens of the village voted bonds to the extent of $385,000 for a Football Stadium and a Physical Education Building. The actual construction was started in 1949 by the Geo. Lathrop Co. of Toledo, Ohio. The structure measures 148 by 159 feet and will seat 1750 people. The building is modern in every respect.

This 1950 Chevrolet was lent to the Athletic Department of Rossford High School by the Jim White Chevrolet Co. Presentation was at the dedication of the Physical Education Building, Feb. 22, 1950.

Honorary basketball captain, Henry Watrol, presented Coach George Wolfe with a token of appreciation from the squad. Superintendent Burns, master of ceremonies, is also in the picture at the microphone.

HERE
WE
LEAVE
THE
SENIORS
OF
1950

Steve **Bill** **Henry** **Jerry**

As Freshmen at Rossford High School, when we began seeding the ground that would some day develop into sturdy full grown trees of the Senior class, we found a school that was altogether different from our previous educational experiences. Being rather green in most of the activities, we didn't have too much to say about anything that went on. Our class party was a big success. Homeroom teachers helping us to plan the big event were Miss Schaaf and Mr. Troutner. We chose as our leading branches: President, Ernie Lorence; V. President, Sam Pennese; Secretary, Steve Vancena; Treasurer, Lillian Stepan.

As Sophomores, we may be compared to young striplings, with roots firmly planted, knowing in which direction to grow. Participating in many organizations, we began to feel quite important. One of our social whirls of the year was the skating party held at the Commodore in Perrysburg. There was a nice turnout. Homeroom sponsors were Mr. Battershell and Mr. Long. Leading us in this phase was our President, Sam Pennese, with his staff aiding him, V. President, Steve Vancena; Secretary, Leona Gibel; Treasurer, Arliss Lindeman. We proudly awaited our advance to the Junior Class.

When the Juniors returned in the fall of 1948, we found a school that was changing in its surroundings. The Stadium was completed and many of our football games were played there. We knew every section of the campus completely. The roots of this class began spreading throughout the school. We found various talents in different fields and clubs. Proving one of our fine talents was the Junior Play, "Everybody's Crazy". The play was very well received. Director was Mrs. G. Steiner. Another outstanding event was the J-Hop. Still another thrilling day for the Jovial Juniors was the arrival of our Class rings in the January of '49. The Homeroom sponsors were Mr. Butt and Mr. Wolfe. The leadership of this class was provided by President, Leona Gibel; V. President, Joyce Sitlava; Secretary, Lillian Stepan; Treasurer, Arliss Lindeman.

AS MIGHTY SENIORS, we have reached our goal at last, with roots that have finally found their way into a new world. As we move out into this world eagerly, yet reluctantly, we will find many new fields awaiting us and will always feel welcome to return to the campus we can never forget. The Senior Roast was held October 22 at Pearson Park. A good time was had by all. Guests were Mr. and Mrs. A. Croop. Chaperones were Mr. and Mrs. J. Chamberlain, Mr. and Mrs. H. Kohler. In the spring of 1949, we saw another cherished ambition nearing realization, the Field House was started, and was completed in February of '50. Our dedication game was played February 22, with Clay, we won. Leading us through our last and most enjoyable year were President, Bill Gyori; V. President, Jerry Kerns; Secretary, Steve Vancena and Treasurer, Henry Watrol.

BASKETBALL

Coach George Wolfe, capable mentor of the hardwood quintet this year, has completed his 21st consecutive year as varsity basketball coach.

This year's squad, which averages about 5' 10", was hampered by injuries and lack of height. They dedicated the New Field House by downing Clay 56 to 38. Although the regular season was not so impressive, the graduating seniors have gained much in sportsmanship and ability to work together under the able leadership of Coach Wolfe.

We hope that next season is more prosperous for this genial coach of Rossford.

LIGHTWEIGHT BASKETBALL

Robert Lewis, Coach of our Lightweights this year, had the job of building his material into the future Varsity. Although his squad did not have a very impressive record they gained much in fundamentals of basketball.

We all hope that the boys who advance to the Varsity Squad will help in producing a winning ball club.

AMERICAN BANKING IN ACTION

In America the same man can be all three—a worker, a customer, and an investor. As a worker you are free to change your job, as a customer you can buy where you please; and as an investor you can put your savings wherever you can get a fair return on your money. (For instance, 65 out of 100 Americans deposit in thrift accounts.) This right of choice is another American freedom we should cherish and preserve.
